"Frankly, networkers turn me off with their pushiness. I prefer Sandy's approach which shows how networking is actually sharing in the spirit of community service."

"Sandy was the speaker for a webinar I attended titled "The 12 Rules of Effective Networking," and it was an hour very well spent. I don't consider myself a novice networker, but she offered some creative suggestions, which made me go "hmmm." She's an excellent speaker, managing to keep even a remote webinar audience engaged. I would recommend her to anyone looking for an engaging speaker with deep knowledge of how to make networking work for you."

"I'm not outgoing naturally and I often don't know what to say to people I don't know. Sandy changed all that for me."
